**Subject: Start of the 2021-2022 season**  
*"We will be able to curl normally."*

Dear members,

We are happy to announce that the start of our 2021-2022 curling season is approaching with a fresh air. *We will be able to curl normally, without a mask and with two sweepers simultaneously.* Our season will begin with open days from October 4 to 8, during which you can come and get information, register and try out. The playing schedule will begin on October 8 with the Friday Night Mixed League. To register, consult the procedure described in the "*Directives Inscription et paiement*" document, which is available under the "[Club / Inscription](#)" tab ([create a hyperlink](#)). You will also find under this tab all the forms necessary for your registration. You can also get them at the club. The new online registration system is in operation. Use it, it will be faster.

In anticipation of your registration, you will find in the appendix the [\*COVID-19 Directives for the Return to Play Season 2021-2022\*](#) ([create a hyperlink](#)) which will apply to our club. These guidelines are intended for young members as well as adult members. We invite you to read them carefully. They will be updated as needed. As requested by the Government of Quebec, we will verify the vaccination passport for people 13 years of age and over.

Before seeing you again, we want to remind you that even if the measures are more flexible at the moment and the double vaccination will be verified, everything can still change. For your health and that of others and for the pleasure of playing curling, we ask you to show solidarity, to continue to be vigilant and to respect the sanitary measures in force at the club and elsewhere.

Thank you for your cooperation and understanding.

Yours truly,  
Board of directors.
